

YOUR MISSION IS JUST BEGINNING.

OPEN HOUSE INVITATION, RESPOND TODAY!

Students and graduates in the majors listed below are invited to a special event presented by Northrop Grumman's Center for Unmanned Systems (UMS) Development in Rancho Bernardo.

On **Thursday, November 19th** from 8:00am to 5:00pm you can meet with managers and recruiters engaged in supporting the next generation of advanced unmanned aircraft systems. Come learn about exciting programs like the Global Hawk series of High Altitude Long Endurance UAVs, Navy Unmanned Combat Aerial Vehicle, Tactical Unmanned Systems and some of our most Advanced programs.

Send your **response today** with an updated resume to: AS-University-Recruiting@ngc.com
Space is limited so respond as soon as possible. Once you send your RSVP e-mail, every student/alumni will be contacted (via email) with a confirmation and details on the event.

U.S. Citizenship is required.
